

## Short Downtime expected at 13th March 06

Monday, 13 March 2006

Last Updated Tuesday, 14 March 2006

This evening at about 19:00 GMT (so 10-12 AM in the USA) there will be a short downtime of the site, due to security fixes. Come back later, and everything will be fine!

Â

Addendum: Update finished, be sure to report any possible Problems at the link below. Along with the updates comes a new, faster and better WYSIWYG-Editor for all Contributors here at the site!
