Knights from all over Bretonnia as well as our allies from Athel Loren and the lands of the Empire are invited to join in the celebrations of the second anniversary of the Round Table of Bretonnia in traditional Bretonnian style - with a joust!

The jousting competition will follow the rules for Full Tilt as given on the Games Workshop website, where details of the relevant virtues and the jousting ploys can be found. Additionally, you may choose to enter as an Imperial Knight (+1 armour save due to wearing Full Plate Armour) or as a Wood Elf Knight (+1 WS but -1 armour save).

However, the competition will depart from Full Tilt in that it will be a knock-out competition rather than a single round of jousting followed by the Tableau de Bataille. The number of rounds will be dependant on the number of entries received, if that is not a simple multiple of two then it may be necessary to give byes to some competitors.

The closing date for entries will be Monday the 15th of October. Please submit your entry using the [Entry Form](#).
