Yes, I almost couldn't believe it myself. The Round Table of Bretonnia just turned three years old! In September 2005 the official Re-Launch of Earl Cadfael's Bretonnian Army as the Round Table of Bretonnia was announced.

A lot has happend in the last three years, and just a few months ago, we grew 2000 members strong.

Traditionally, we will celebrate the special event in the next few weeks. Get your paints and brushes out for the Anniversary Painting Competition, and prepare your formal dresses for the Anniversary Awards Ceremony. More events and details will follow here.

Updates (last: September 29th):

- The Anniversary Painting Competition has opened!
- The Anniversary Awards Ceremony
- The Anniversary Literature Competition has openend!
