Page 2 - Rules

From Sir Dauntless' Desk:

The first event will be a joust, the current rules are:

1) You submit a Lord spending no more than 60pts on magical items (one from each category) but cannot choose an item from Virtues or Magical Weapons. Mounts are free. Vows count against magical item points but the Grail Vow has been reduced to 25pts.

2) All participants will be issued with a special Tourney Lance (+1S on the charge). This is the only weapon that will be used during the joust.

3) Both combatants count as charging in every round of combat.

4) Shields provide a 5+ AS (except Enchanted Shield which provides a 4+ AS)

5) All mounts are Barded Warhorses but do not fight nor do they increase the AS.

- 6) Only the combat phase shall be played.
- 7) All combatants have the Virtue of the Joust.
- 8) All participants have the Blessing of the Lady.
