

Server maintenance tomorrow (Sat. 21st)

Friday, 20 December 2013

Last Updated Saturday, 21 December 2013

The server hosting the Round Table will undergo maintenance during the day (GMT time zone) on Saturday, 21st of December. As a result, the site may be temporarily read-only or completely inaccessible. Behind the scenes, I will transfer the Round Table to more powerful server hardware, which will result in faster response times overall. Thanks for donating and clicking our advertising banners, which enables this upgrade!

Update: The site was successfully transferred to the new server.
