As we sail past over a decade of service, the Round Table has seen its halls and buildings grow far beyond what one had thought possible!

Unfortunately, the needs of maintaining the infrastructure to ensure every Knight and Lady suffers no want have also grown far beyond what we all had expected, as such, we once again turn to you, our members, to support the board once more lest it fall into darkness!

In other words! Our running costs have escalated to around 350 euros per year for both server hosting and registered domain names. Unfortunately at the current rate of ad revenue this means we will fall short of the required amount by around 72 euros at the end of the year when the hosting bill is due.

As such, if you find that you have copper, silver or gold to spare, do consider contributing to the Round Table's maintenance costs! Any amount is greatly appreciated and will earn you a spot in our supporters list!

The PayPal donation button can be found [here](#) and on the left side of the Main page and Forum!

Thank you all,

-The Round Table Staff
